

# AGRICULTURE SCHOLARSHIPS

*The St. Cloud Area Chamber of Commerce is committed to investing in the future of area farmers by offering the Central MN Farm Show Agriculture Scholarship to encourage more students to explore fields of study and careers in the agri-industry.*

## ELIGIBILITY:

- Students must be currently enrolled in and/or plan to enroll in a field of study rooted in agri-education or agri-business.
- Students must be enrolled in or have graduated from a Central MN High School.
- Students must maintain a grade point average of 3.0 or higher.
- Only one scholarship can be won per person.

## SELECTION:

- Selection will be based on academic study or work history, future agriculture related education or career path, grade point average, personal leadership and volunteerism.

## AWARDS:

- The Central MN Farm Show has a goal to award ten \$1,000 scholarships.

## ADDITIONAL INFORMATION:

- Completed applications must be received by January 31
- Applications are available at [www.centralmnfarmshow.com](http://www.centralmnfarmshow.com) or in your high school guidance counselor's office between November 1 and January 31.
- Scholarship winners are announced at the 2024 Central MN Farm Show, on February 28.
- Scholarships for high school recipients will be presented at the winner's high school award ceremony, college students will be mailed their award.
